

Thank you for your interest in enrolling your child in Desert View Christian School.

We look forward to getting to know you. DVCS is part of the world-wide Seventh-day Adventist school network with schools around the world. We are fully accredited, so transferring is easy.

We believe that true education develops the spiritual, mental, and physical powers of each student. To achieve this goal, we encourage each student to:

- Develop a personal relationship with God
- Master academic skills
- Value physical and mental labor as the blessing God intended
- And cultivate physical fitness, mental ability, and moral purity.

The Adventist school system is the largest protestant private school system in the world and we use the Adventist curriculum for the majority of our course material. You can find out more about the Adventist school curriculum at the Adventist Education website here:

We look forward to hearing from you soon. If you want to talk to the teacher or visit the school please call or email us to set up a visit.
